*Vienna, April 28, 2017*

# Consortium of European Social Science Data Archives

## A Pan-European Research Infrastructure

- Establishment in 1976.
- Recognized as ESFRI Landmark in 2016.
- Currently 16 Member States (One Archive Representing Each State).
- Providing Large Scale, Integrated and Sustainable Data Services.
- Supporting Research and Co-operation in Areas Expected to be of Great Importance.

Austria  
Belgium  
Czech Republic  
Denmark  
Finland  
France  
Germany  
Greece  
Lithuania  
Netherlands  
Norway  
Slovenia  
Sweden  
Switzerland  
United Kingdom

# CESSDA Training

- Training and Consulting in Research Data Management and Digital Preservation.
- Strategies and Procedures to Ensure Data Quality and Long-Term Availability.
- Get in Touch:
  - Webpage: <http://cessda.net/CESSDA-Training>
  - Twitter: @CESSDA\_Data
  - Blog: <http://www.cessdatraining.wordpress.com>
  - Workshops

# Training Scopes

- **Research Data Management (RDM) for Social Scientists**
  - Technically: Organizing, Storing and Documenting Research Data
  - Organizational: Processing, Administrating and Preserving Research Data
  - Legally: Data Protection, Intellectual Property Rights and Licensing
- **Digital Preservation** along the lines of the Open Archival Information System (OAIS) [ISO 14721]
  - Ingest, Storage, Management, Administration, Access and Dissemination
    - Functional and Information Model
- **Workshops**
  - Open Events for Interested Researchers and Fixed Scope (e.g. Intro RDM)
  - Customized Events for Specific Group (e.g. RDM in project)
